**CUSTOMER REQUEST FORM
RING RE-SIZING
(STERLING SILVER .925)**

We will gladly re-size **NEARLY** any NightRider ring; you pay only a small fee and shipping costs. While we will try to accommodate all re-sizing requests, please be aware that not all rings can be re-sized. Due to the complex nature of some ring designs, re-sizing is not always an option and rings that can be re-sized can only go up or down **one** size. Please refer to the ring's description on our website which will state if this is a ring that can be re-sized.

If the ring is re-sizable then the cost for re-sizing a silver ring is \$50. For rings that cannot be re-sized or rings that need to be sized more than one ring size you will be given a 50% credit towards the purchase of a ring of the **IDENTICAL** style only.

Using the address below, pack and seal your box securely. We recommend that you ship your package with a carrier who will provide a tracking number and for security purposes do not write the word **JEWELRY** anywhere on your package. Once received, your piece will be processed within 2-3 business days and shipped back to you as soon as possible, but may take up to three weeks depending on the condition of the piece. Our customer service department will contact you (using the information below) when your piece is ready to be returned to process your payment for re-sizing and shipping.

Please take a moment to fill out this form and place it in the box with your items. We recommend you keep a copy of this form for your records.
